the national poetry magazine of Wales since 1965

WHO WE ARE

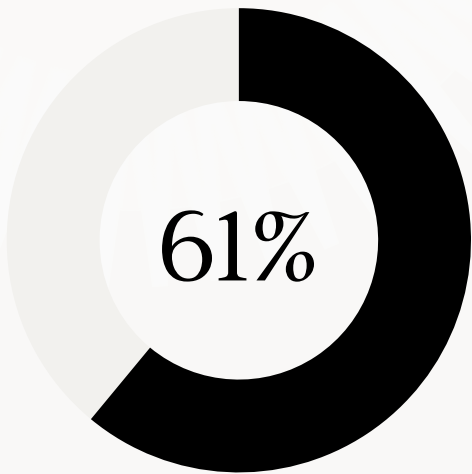

POETRY WALES is a poetry magazine **for** poets, **by** poets. Established in 1965, we have been publishing contemporary, innovative and culturally important poetry for almost 60 years.

POETRY WALES has been the launching pad for many award-winning poets, and at least one poet laureate. We publish a wide range of poets and poems, from debuts to well-known names.

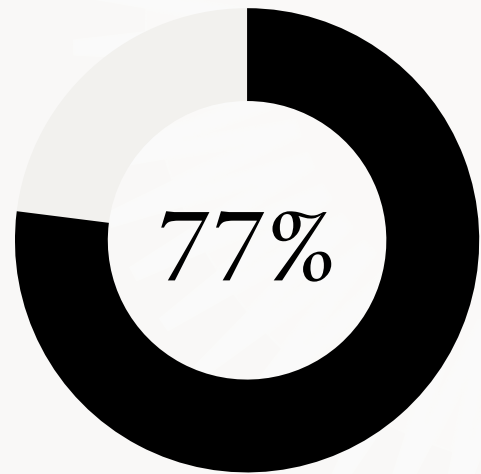

As well as poetry, we publish articles, interviews, and creative writing workshops, all written **for** and **by** some of the most exciting names in poetry today.

Edited by Eric Gregory Award-winning poet **Zoë Brigley**, also longlisted for the International Dylan Thomas Prize and commended by the Forward Prize, *POETRY WALES* is entering our 60th year with an eye on the future of poetry.
